

**Jade Edmiston** - Australian World Record Holder wearing HydroSpeed Swimwear, training with Finis Freestyle Snorkel, Freestyler Hand Paddles and Z2 Fins.

**Swimmer's Snorkel** 33,-

Used by the best coaches and the fastest athletes in the world. Swim at normal and much slower speeds with perfect stability and a full range of motion. Concentrate on body balance, head position and stroke technique by eliminating rotation in the breathing cycle. Includes a purge valve for easy clearing of water. U.S.A. Patented.

COLOR: Blue

**Jr. Swimmer's Snorkel** 33,-

2" shorter in length to account for the smaller lung capacity of younger swimmers, 12 years old and under. Includes nose clip for introductory purposes. Includes a purge valve for easy clearing of water. U.S.A. Patented.

COLOR: Yellow

**Freestyle Snorkel** 29,-

This design allows freestyle swimmers to achieve a lower head position for optimizing sprint body position. U.S.A. Patented.

COLOR: Blue

**CARDIO CAP**

Fits on top of any FINIS snorkel to restrict air flow for increased cardiovascular conditioning.

**REPLACEMENT HEAD BRACKET**

For use on any FINIS snorkel.

**REPLACEMENT PURGE VALVE**

One-way valve located under the mouthpiece allows water to be expelled from the tube. For Swimmer's Snorkel only.

ADULT 14,50

**Freestyler Hand Paddles**

The hydrodynamic shape promotes a clean entry and the planing action that occurs on the front end of the stroke.

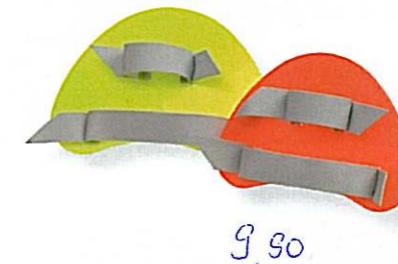

Encourages perfect swimming and is especially effective when used with Z2 or Zoomers.

Adult - Black  
Jr. - White

U.S.A. Patent #5288254

JUNIOR
